OUR PURPOSE

"Providing opportunities to seasonal farmworker students who want to enroll in Michigan State University."

The U.S. Department of Education has temporarily suspended funds for MSU CAMP.

Michigan State University's Farmworker Student Services and its College Assistance Migrant Program (CAMP) remain committed to student success and will continue serving eligible students in the 2025–26 academic year. Since 2000, CAMP has supported farmworker students and is the only program of its kind in Michigan and the Midwest. CAMP advances MSU's land-grant mission by providing academic, financial, and mentoring support along with comprehensive global learning opportunities. MSU is actively advocating for continued funding while maintaining services for current students and building long-term sustainability with partners.

APPROXIMATELY 45,000	Seasonal farmworkers flow in and out of the state of Michigan during the various seasonal Agricultural cycles.
